Facilitating Open Account – Receivables Finance

FCI Academy

Learn from the Global Leaders of Receivables Finance

CERTIFICATE OF RISK MANAGEMENT

IN RECEIVABLES FINANCE

Aimed to enhance the risk management skills and support professionals dealing with Sellers & Buyers. The programme includes 4 e-learning courses:

Foundation Course on Factoring

Seller Selection & Control Course

Buyer Risk Control Course

Dispute Prevention & Handling Course

Ideal for professionals belonging in risk management, compliance & operations teams, dealing daily with seller & buyer risk assessment and monitoring.

Upon the completion of the program the student will have developed the necessary risk management skills to effectively control the associated risks in their institution.

Students who successfully complete the programme will become a **"Certified Risk Management Professionals in Receivables Finance".**

Available every January and July.

Programme Duration: 8 Months

1,195€ / **FCI MEMBERS: 800€**

"FCI Academy – through its different course offerings – has given us information and experiences that we considered in our internal and evaluation procedures for continuous improvement. The contribution that FCI Academy has given me, allowed me to understand concepts, procedures and risks associated with Factoring and apply them into today's economic environment."

Ms. Maria Fernanda Henandez Parra
Corporate Business Executive, Cathay Bank, Costa Rica
