## About FCI

Founded in 1968, FCI is the Global Representative Body for Factoring and Financing of Open Account Domestic and International Trade Receivables. With close to 400 member companies in 90 countries FCI offers a unique network for cooperation in cross-border factoring. Headquartered in Amsterdam, Netherlands, FCI is by far the world's largest factoring network, with member transactions representing nearly 90% of the world's international correspondent factoring volume.

## THE FCI EDUCATION PROGRAMME

Education is a key element for the future development and professionalisation of the factoring & receivables finance industry. FCI Academy constitutes the most complete education programme on Factoring & Receivables Finance, providing a wide range of globally recognised and accredited educational offerings that aim to support personal, corporate and market development globally.

Our Introduction to Factoring and Receivables Finance Course is based on years of international experience in best practice by some of the best and most experienced professionals in the world.

## OBJECTIVE OF THE COURSE

The course aims to enhance your skills and enrich your knowledge on this form of finance that shows significant growth during the last decades and that supports the physical Supply Chain and economic development (FCI & WTO data).
